Dear Brother Chia,

We received your August 13th letter yesterday. We feel a time of fellowship with the elders and co-workers and yourself during your visit here would be most helpful.

Accordingly, we have arranged for a supper and a time of fellowship for the evening of Wednesday, August 19th when most of the elders and co-workers will be available. We trust the Lord will use this time, and look forward to fellowshipping with you.

Please advise us by phone (416-223-7549) or fax (416-223-4450) of your flight information, and we will arrange for you and your family to be picked up.

Your brothers in Christ,

Ron MacVicar
